

Make your daily work life easier – learn how to use SmartKoen

Ditlev Rosendahl Baun, Digital, SEGES

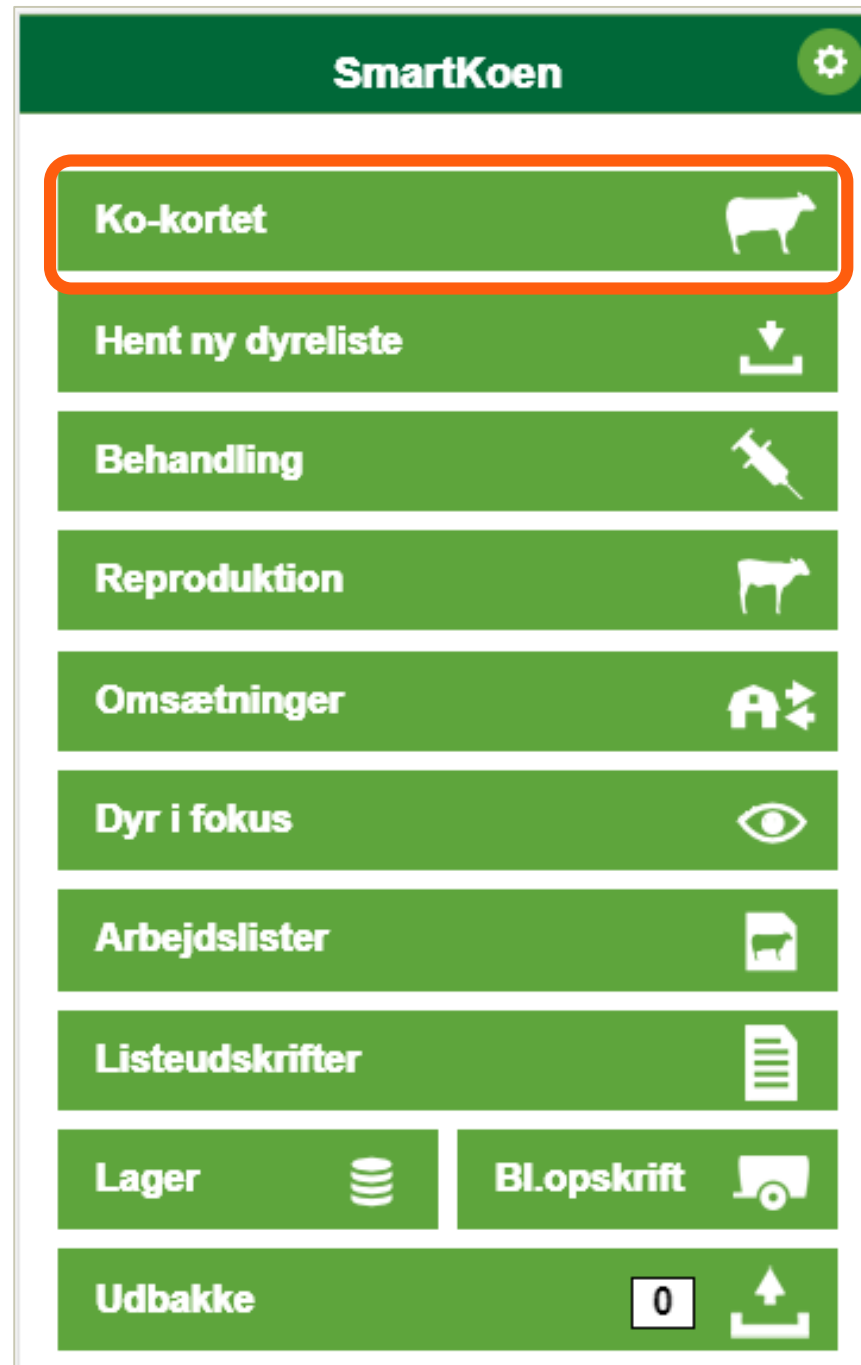

SmartKoen Introduction

- www.smartkoen.dk
- Log in with username and password
- Add to home screen
- Update the animal list once per day

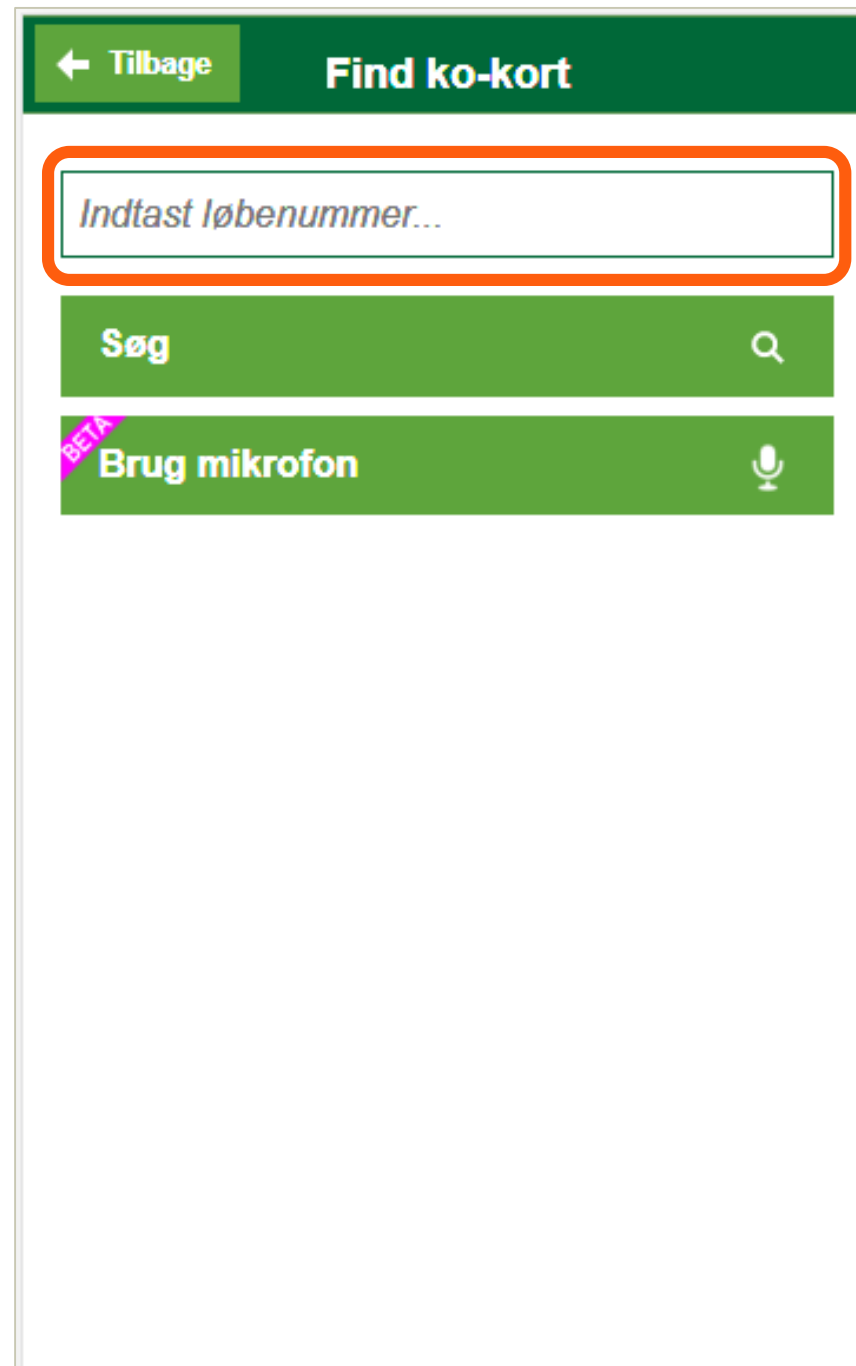

Cow info

- Find your favorite cow

Cow info

- Type the cow's number

The screenshot shows a mobile application interface with a dark green header. On the left of the header is a back arrow and the text 'Tilbage'. On the right is the title 'Find ko-kort'. Below the header is a white text input field with a light blue border and the placeholder text 'Indtast løbenummer...'. This input field is highlighted with a thick orange border. Below the input field are two green buttons. The first button is labeled 'Søg' and has a magnifying glass icon on the right. The second button is labeled 'Brug mikrofon' and has a microphone icon on the right. A small pink 'BETA' label is positioned to the left of the 'Brug mikrofon' button.

Treatment registration

1. Mark Auto-reg (optional)
2. Save registration

The screenshot shows a mobile application interface for treatment registration. At the top is a dark green header with a white arrow and the text 'Tilbage'. Below this is a date selection bar showing '19-02-2020' with a downward arrow. The next bar is labeled '← Besætning:' and is empty. Below that, the text 'Behandlingen registreres for flgd. dyr:' is displayed. This is followed by a bar containing the number '04112' and a white 'x' icon. A red number '1' is placed to the left of a bar containing an unchecked checkbox and the text 'Auto-reg'. At the bottom, there are two buttons: 'Annuller' and 'Gem', with a red number '2' placed to the left of the 'Gem' button.
